Dear Harold:

I saw Bob Kaiser in New York recently and he told me about Whitewash IV. He said you had printed a number of copies and for around $7.00 might let me have one. I would surely like to see it Harold, and am enclosing $10.00 in the event you can send me a copy. Use the balance to pay for the mailing and packaging costs.

I'm delighted to find that you found a way to get it printed. I know from the grapevine how hard you have tried to find a publisher.

Best Regards
Dick
